IDEA 63-2

- X5709

1. Purpose: To provide additional funds under Contract CT-701 with Hycon Mfg. Co., for the purchase of "B" Camera additional spare parts for detachments, and, Flyaway Kits (FAK) in support of deployments.

2. Description of work or service required: Purchase of additional spare parts for the "B" Camera for two detachment Flyaway Kits to support increased deployments. Increased deployment activity and resultant high rate of usage of cameras has required more frequent changes of expendable components than had been experienced in the past. Spare parts are required to insure continued mechanical reliability of cameras.

3. Expected additional or related work or services: None

4. Total estimated cost:

Spare Parts	\$35,800.00
Funds Obligated Through	
30 June 1963	10,800.00
Additional Funds Required	25,000.00

5. Source of funds: This requirement was not programmed for; however, funds can be made available through adjustment in Lockheed Aircraft Corp., Contract SP-1923.
